

WELCOME TO CRAIGVILLE VILLAGE

Cape Cod, Massachusetts - Established in 1872

This is a unique Village enjoyed by young and old, guests and residents. It is a special community of some ninety homes and the Craigville Retreat Center in which all religious denominations are welcome. Founded in 1872 as a camp meeting ground, Craigville maintains a quiet family environment blended with Retreat Center activities.

Please respect this environment and do not litter, or dress in a manner inconsistent with a family-oriented community; we suggest wearing cover-ups over bathing attire. We all live in close proximity here, so kindly avoid excessive noise between 10 PM and 8 AM, and bear in mind that your neighbors are within earshot of many sounds such as loud stereos, power equipment or barking dogs. Please exercise consideration for all.

MOTOR VEHICLES & BICYCLES - There are many young children in this village. Please drive slowly and carefully, observing all the safety rules and signs, including 15 mph speed limit signs, stop signs, one-way streets and no parking areas. Cars should be parked out of the traffic lane, and not on both sides of a narrow road. Bike riders must observe all traffic regulations as well.

The two parking lots should be utilized when possible.

OUTDOOR FIRES - Proximity and age of Village buildings makes fire our most feared disaster. Please exercise extreme caution and be alert to the direction barbeque smoke or fumes take. Open fires are prohibited.

DOGS - Barnstable Law requires that dogs must be on a leash when off their property, and please keep them off the Midway and the Green. Remember to clean-up after your dog and be alert to excessive barking.

HISTORIC POST OFFICE - No longer a Federal operation, the sale of gifts, clothing and cottage sundries supports our historic building. Open 8:30AM-12:30 PM summer weekdays and Saturdays.

REFUSE CANS & CLOTHES LINES - Kindly be discrete about refuse cans (to be covered securely) and clotheslines, and avoid draping towels over fences and porch railings.

TENNIS - Use of the tennis courts is restricted to 8:30 AM until 8 PM. Players should wear appropriate tennis clothes. Craigville Tennis Club members and Retreat Center guests may arrange court time at the Tennis Shack.

LAKE ELIZABETH/RED LILY POND - Please avoid using detergents that contain phosphates, as they promote unwanted weed growth in Lake Elizabeth-Red Lily Ponds. We also discourage feeding the ducks, swans and geese, because they become dependent on the handouts and it also pollutes the pond.

PROGRAMS - There are many programs available to all through the Retreat Center. Evening Tabernacle programs are open to the public. Tabernacle services are held each Sunday during the summer at 9:45 AM, with many notable clergy officiating.

Membership information at Craigville's private beach is available at the Office in the Lodge.

PLAYGROUND - Swings and slide provided for young children for use from 8 AM to 10 PM.

MEMBERSHIP in the Craigville Tennis Club, the CBA Association Beach, the Red Lily Pond Project Association, and the Christian Camp Meeting Association is invited. If you own property in the Village, we hope you will join the Craigville Cottage Owners' Association.

WE HOPE YOU ENJOY YOUR STAY IN THIS VERY SPECIAL PLACE!

We invite you to peruse the Community Bulletin Board outside the Craigville Post Office and consult the *Craigville Chronicle*, the weekly summer newsletter, to find out about current Village activities and upcoming events.
